

PAYING TOO MUCH FOR UTILITIES?

FREE Services Can Help Save Money on Energy Costs.

Take advantage of the following FREE energy saving services:

- Free Air Conditioning Diagnostic & Tune-up.
- Free Duct Test & Seal.

Each year your Utility Company sets aside money to help businesses save energy and reduce their energy costs. These programs are designed to reduce peak demand, and prevent rolling blackouts. Synergy Companies is participating in this Air Conditioner Program to provide energy saving services to businesses like yours. Funding for this program is limited and available on a first-come, first-serve basis.
