- Duct Test and Seal
- Smart Thermostat
- Water Saving Products
- And More!!!

This Program is funded by California utility ratepayers and administered by Southern California Edison Company under the auspices of the California Public Utilities Commission through a contract awarded to Synergy Companies. Consumers are not required to purchase any additional goods or services from the contractor to participate in this Program.

This Program is available on a first-come, first-served basis until allocated funds are no longer available or the Program is terminated. This Program may be modified or terminated without notice. Limitations may apply. Not all customers will qualify for all products and services. SCE does not endorse or warrant any manufacturer products and shall not be liable or responsible for claims arising from the purchase, installation, use or performance of any products.
